

MAPLE LEAF SQUARE

be a part of the game

Inspired by developments in New York and Los Angeles, Maple Leaf Square will extend Toronto's metropolitan feel to the Lakeshore, building energy and community at the very base of the business district. With direct connections to Union Station and the ACC, as well as numerous green spaces and places for public gathering, Maple Leaf Square puts you in

the centre of a diverse and commercially active neighbourhood.

When it comes to attracting employees, hosting clients and associates, and running meetings or conferences, just say Maple Leaf Square. By association with the ACC, the Maple Leafs, and the scale of complex itself, Maple Leaf Square will become an instant landmark.

Enjoy the convenience and status of housing your business in a building known across Toronto as a major destination.

a landmark destination

All this status, convenience, and culture would do you no good without a top-notch building to work in. That's why we've gone to special effort to make our complex a great place to start the day. With 30,000-sq.ft. floor plates, abundant parking, and floor-to-ceiling glass.

Maple Leaf Square offers efficient, comfortable, and attractive design. What's more, our LEED certification, green roof, and superior air quality contribute to a healthy workplace and a healthy environment.

Maple Leaf Square, where the city converges for business and culture. Convenience, energy, and built-in life-work balance make Maple Leaf Square a great choice for your business.
